FISCAL ANALYSIS

ASSUMPTION

§ 209.200 - Professional Therapy Dogs:

Officials from the **Department of Mental Health, Department of Health and Senior Services, Missouri State Highway Patrol, Office of Prosecution Services, Department of Agriculture, Office of State Courts Administrator** each assume the proposal would not fiscally impact their respective agencies.

Officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent clients faced with enhanced penalties for crimes against “service dogs” as enhanced by this bill.

SPD assumes while the number of new cases may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

Oversight assumes there is no direct fiscal impact from this proposed legislation on state or local government funds.
